Cardboard Now Has Aerogel In It!

Cardboard now has a substance called aerogel embedded inside of cardboard!

Locals are now freaking out over a bouncy jelly like substance. They say "*We are using aerogel as a better means to leave your package unharmed.*"

Is Biden Going To Win The Election, We Hope Not

There is a lot of debate on whether Trump or Biden should win. We will see the upcoming election day on **November, 3, 2020.**
